

**A multifaceted solutions provider for both interior
and exterior residential and commercial spaces**

Small business, veteran-owned, family-owned and operated since 1981

Pro-Built Construction, Inc. • 13330 Clarksville Pike • Highland, Maryland 20777 • 301-854-0821

Capability Statement

PRO-BUILT CONSTRUCTION, INC. is a multifaceted solutions provider for general contracting and interior design services and products for both interior and exterior residential and commercial spaces.

A second-generation family owned and operated business located in Highland, Maryland, Pro-Built Construction has been serving the Maryland-Virginia area since 1981.

The team at Pro-Built Construction differs from other contractors through their extensive knowledge and experience in the industry. We work under a variety of contract types and delivery methods to support the needs of our customer and the project objectives.

The foundation of our work is based on strong relationships with our clients, who have the confidence to rely on our experience, financial strength, and in-house expertise. Regardless of the project, it is our mission that every customer has a superior experience - from start to finish.
